

Brain Food: Supporting Your Growing Kitten

Brain Food: Supporting Your Growing Kitten

Published February 10, 2026

We all need brain food to live healthy lives, especially growing kittens as they develop into the cats we love. [GREENIES Healthy Kitten Smartbites](#) are here to do just that. Formulated to support developing cats up to one year old, these are the perfect treats to feed your kitten daily.

Support Brain and Vision Development

Healthy Kitten Smartbites are formulated with essential vitamins and minerals for cats up to one year of age. Smartbites are also made with DHA to support brain and vision development in young cats.

Daily Treating to Support Immune Health

With less than 2 calories per treat, Greenies Healthy Kitten Smartbites are great for daily treating and training. They are treats made for a higher purpose with all the flavor your cat will love plus the health benefits you'll love as a cat parent to support your kitten's immune system.

With **DHA** for
