Whether you live at home with a Pill P.I. or a Picky Prima Donna, if there's one part of pet ownership that isn't a walk in the park, it can be administering medicine to our furry friends. Go through the chart below to find which pet you may have at home and see our tips & tricks for administering pills with ease.

### Pill P.I.

Your pet has detective-level sniffing skills that can track down a pill no matter what it's hidden in. Whether it's hidden in peanut butter, cheese, or a piece of deli meat, they can somehow always find it. Luckily, the [GREENIES Spring Wellness Bundle for Cats](#) comes with two different types of [PILL POCKETS](#), the perfect solution for disguising pills in a tasty treat that even the most astute pet detectives won't be able to sniff out.
