Caring for your Pet’s Health with GREENIES™ Treats

Caring for your Pet’s Health with GREENIES™ Treats

Published February 10, 2026

At the GREENIES™ Brand, we believe treats should not just taste good, but they should do good. Here are few things to keep in mind when buying a dental treat or chew. Try to avoid hard chews, bones or rawhides that might damage teeth. Look for a dental dog chew that is flexible, easy to chew and digestible like GREENIES™ Dental Treats. Our treats bend easily so teeth can sink in, providing a deep clean and fresher breath.

On top of dog oral care, our treats also include other functional benefits such as weight management and helping to support healthy joints—making your job as a pet parent a little bit easier and giving you more time to enjoy life with your dog.

Because our best friends come in so many adorable shapes and sizes, GREENIES™ Dental Treats also come in several different sizes. You can choose a treat size based on your dog’s size or weight. This will ensure that your dog gets the most appropriate texture and size.

If you’re going to give treats, make ‘em count with GREENIES™ Treats!

4 Ways for You and Your Dog to Fall in Love with Fall

This summer, you and your dog probably enjoyed countless hours playing fetch outside and soaking up the sun. While the leaves may be changing color and the air may be cooler, that doesn’t mean the end of outdoor fun for the year. Fall is a wonderful time for you and your dog to get out of the house and enjoy the crisp,

Caring for Your Senior Dog as They Age

While we wish our dogs could be by our sides for our whole lives, we know that dogs age at a faster rate than humans. Most dogs are considered “senior” once they reach about seven or eight years old, while larger breeds tend to be considered senior around six years old. Caring for an elderly dog means keeping an eye ou
