Which GREENIES™ Dental Treat Is Right for Your Dog?

Published May 8, 2026

Your dog's dental health isn't just important for their teeth and gums — it can impact their overall well-being, too. One [GREENIES™ Dental Treat](#) a day can help keep their teeth clean, maintain healthy gums and freshen their breath for a sparkle in every smile.

Dogs love to sink their teeth into these irresistibly tasty, delightfully chewy treats made with a texture that helps scrape away plaque and tartar like a toothbrush. And the highly soluble ingredients make these natural treats plus vitamins, minerals and nutrients easy for dogs to digest. It's no wonder that [GREENIES™ Dental Treats for Dogs](#) are recommended by veterinarians for at-home oral care.

But which daily [GREENIES™ Dental Treat](#) is right for your dog? We'll cover the available varieties and options so you can choose the treat that best fits your furry friend and their

lifestyle.

1. What size treat does my dog get?

[GREENIES™ Dental Treats](#) are available in four sizes based on your dog's weight. Each size offers three tempting flavors: tasty Original, fruity Blueberry and minty Fresh.

Dogs

5-15lbs/2-7 kg

TEENIE™ Dental Treats
