GREENIES Highlighted as a Top-Tier Pet Care Essential

As millions of pet parents stocked up on premium care essentials during Amazon Prime Day, top media outlets across the country named GREENIES Dental Dog Treats an absolute "must-buy."

From expert-curated roundups to bulk-buying guides, national editors highlighted how pet owners could keep their dogs’ smiles sparkling and breath fresh with major event savings.

Why Editors Recommended GREENIES™ This Prime Day

Pet health experts and frugal shoppers alike celebrated the benefits of our veterinarian-recommended dental treats. Here is a look at what the country’s top publications said

about our Prime Day lineup:

- USA Today & MSN: Featured as a standout favorite in The 5-star animal essentials pet parents love(open in new tab) are on sale at Prime Day. This key feature was also syndicated globally across MSN and over 200 local news outlets.
- NBC News: Hand-picked by shopping experts(open in new tab) as a top day-3 recommendation in I hand-picked 327+ impressive day 3 deals I'd actually buy.
- Buzzfeed: Highlighted as a crucial deal dog owners couldn't afford to miss in Don't Sit On These Prime Day Deals For Dog Owners(open in new tab).
- Buzzfeed Bulk-Buying Guide: Named a top-tier item to stock up on in Make The Most Of Your Money: 55 Things You'll Want To Buy In Bulk Before Prime Day Ends(open in new tab).
- HuffPost & Yahoo! Shopping: Highly recommended by frugal shopping editors in These Are The Only Prime Day Deals You Need To See(open in new tab), which was also syndicated on Yahoo! Shopping.
- I Heart Dogs: Crowned as a top deal pet parents needed to see in Amazon Prime Day 2026: The Best Dog Deals Every Pet Parent Should See(open in new tab), and highlighted again in their Last Call for These Dog Deals countdown.
